- Ethical and Legal issues in Substance Abuse Treatment part 1 by Steven L. Batki, MD and Peter
A. Selwyn, MD, MPH. This course discusses five principles that form the basis for ethical
decision-making in mental health practice and provides a step-by-step model for resolving
ethical dilemmas. The course also explores specific ethical issues as they relate to
substance abuse treatment and the treatment of patients with HIV/AIDS. Topics include
duty to treat, duty to warn, dual relationships, confidentiality, and end-of-life issues.
www.CEUInstitute.com. 1 CE, 1 hour 6/12/2007

- Ethical and Legal issues in Substance Abuse Treatment part 2 by Steven L. Batki, MD and Peter A. Selwyn, MD, MPH. This course examines legal issues (many of them with ethical implications) in two main areas: (1) Access to services and treatment programs for chemically dependent clients and persons living with HIV/AIDS, and (2) Confidentiality and the patient's right to privacy. Topics include federal and state laws on discrimination, confidentiality, consent, disclosure of information, and duty to warn. www.CEUInstitute.com. 2 CE, 2 hour 6/13/2007
- Nine Ethical Values Of Master Therapists by Len Jennings, PhD, Ashley Sovereign, Nancy Bottorff, Melissa Pederson Mussell, PhD, and Christopher Vye, PhD, are with the Graduate School of Professional Psychology, University of St. Thomas, Minneapolis, MN. Conducting oneself ethically is a critical task of the competent therapist. Making the best ethical decisions can be extremely challenging given the multitude of complex ethical situations that arise in practice. This program examines the ethical values that ten master therapists draw upon in their work. www.CEUInstitute.com. 1 CE, 1 hour 2/28/2008
- Ethical Issues with Fees, Billing, and Collections by Barbara Alexander, LCSW, BCD. Barbara Alexander, LCSW, BCD, president of *On Good Authority*, interviews Barton Bernstein, JD, LMSW, an attorney and social worker who has written two books on legal/ethical issues for mental health professionals. Mr. Bernstein shares his positions on fees, billing, and collections. The material includes a sample intake form. 1 CE, 1 hour 2/28/2008
- Receiving Gifts From Clients: Ethical And Therapeutic Issues by Mark S. Gerig, PhD. This program explores ethical and therapeutic issues that are relevant in client gift-giving situations. The author discusses the extent and nature of client gift-giving in counseling, ethical and therapeutic issues, a scheme for categorizing and assessing gift-giving behavior, and general suggestions for handling these incidents. 1 CE, 1 hour 2/29/2008
- Improving Treatment Compliance by Dennis C. Daley, MSW. Written by Dennis C. Daley, M.S.W. and Allan Zuckoff, M.A., this 3 hour course is designed to help clinicians and treatment agencies better understand and address the problem of poor compliance among clients who have substance abuse disorders, including those with dual disorders. 3 CE, 3 hour 6/13/2007
- Counseling Older Adults by Barbara Alexander, LCSW, BCD, president of *On Good Authority*, interviews three experts who work with older adults. In *Treatment of the Elderly: Interview with Bob Knight, PhD*, Dr. Knight discusses methods of assessing older adults, how to complete a therapeutic life review, and how treatment of the older adult differs from that of the younger adult. Mary Ann Wolinsky, MSW, discusses her work with older couples and how retirement forces a working through of lifetime marital conflicts in *Counseling Older Adults and Older Couples: Interview with Mary Ann Wolinsky, MSW*. In *Elderly Suicide: Interview with Nancy Osgood, PhD*, Dr. Osgood talks about ageism in our culture, and she presents methods of assessing and identifying early signs of suicide in the elderly. 3 CE, 3 hour 6/17/2007
- Shyness in Children by Hennie M. Shore and Lawrence E. Shapiro, PhD. This course provides a comprehensive overview of the treatment of shyness in children; an interview with Kenneth H. Rubin, PhD, Editor of *Social Withdrawal, Inhibition and Shyness in Children*; recent research findings; and treatment resources. 2 CE, 2 hour 2/15/2008

- Psychotherapeutic Medications 2006: What Every Counselor Should Know by Richard K. Ries, MD. Joseph Parks, MD. This material provides a quick "desk reference" on psychotherapeutic medications for substance abuse and mental health treatment providers. It addresses the following types of medications: Antipsychotics/Neuroleptics Antiparkinsonian Medications Antimanic Medications Antidepressant Medications Antianxiety Medications Stimulant Medications Narcotic and Opioid Analgesics Hypnotics (Sleep Aids) Addiction Treatment Medications Alcohol Opioids Others The following topics are included for each medication type: Generic name/Brand name; Purpose of the medication; Usual dose, frequency, and side effects; Potential side effects; Potential for abuse or dependence; Emergency Conditions; Cautions; Special Considerations for Pregnant Women. The material also provides sections on talking with clients about their medications and tips for communicating with physicians and includes a sample report form. 3 CE, 3 hour 2/21/2008
- Diagnosing And Treating Co-Dependence by Timmen Cermak, MD who provides a framework for understanding co-dependence. He presents clear diagnostic criteria and illustrations and describes ways of treating co-dependence that are helpful to all therapists, not just those in the field of chemical dependency. This course is based on Dr. Cermak's book, *Diagnosing and Treating Co-dependence - A Guide for Professionals Who Work with Chemical Dependents, Their Spouses, and Children*, first published in 1986 by the Johnson Institute and then published in 1998 by Hazelden Information and Educational Services. 6 CE, 6 hour 2/29/2008
- Brief Strategic Family Therapy For Adolescent Drug Abuse by Jose Szapocznik, PhD, Olga Hervis, MSW, and Seth Schwartz, PhD, of the Center for Family Studies, Department of Psychiatry and Behavioral Sciences, at the University of Miami. This program introduces counselors to concepts that are needed to understand the family as a vital context within which adolescent drug abuse occurs. It also describes strategies for creating a therapeutic relationship with families, assessing and diagnosing maladaptive patterns of family interaction, and changing patterns of family interaction from maladaptive to adaptive. Topics include basic theoretical concepts of Brief Strategic Family Therapy, diagnosing family system problems, orchestrating change, and how to engage resistant families. 5 CE, 5 hour 3/1/2008
- Alcohol Problems In Intimate Relationships: Identification And Intervention by Linda J. Roberts, PhD, the University of Wisconsin-Madison, Madison, Wisconsin, and Barbara S. McCrady, PhD, Rutgers-the Statue University of New Jersey, Piscataway, New Jersey. This guide helps therapists and other health care professionals identify and treat individuals (or families) who currently are experiencing or are at risk for experiencing alcohol problems. The guide includes screening and assessment tools, brief intervention strategies, and treatment alternatives for longer term care. 6 CE, 6 hour 3/2/2008
- Adolescent Girls: Development and Treatment Issues by Barbara Alexander, LCSW, BCD, president of *On Good Authority*, who interviews Elizabeth Lloyd Mayer, PhD, about the differences in male and female development in early adolescence, the kinds of pressure adolescent girls experience from their parents, and ways of helping girls discover their value. Analyze eating disorders from the point of view of attachment theory and foster the therapeutic bond in treating eating disorders. 2 CE, 2 hour 3/2/2008
- Brief Cognitive-Behavioral Therapy in the Treatment of Substance Abuse by Kristen Lawton Barry, PhD., This program examines behavioral and cognitive therapies and focuses specifically on the cognitive-behavioral model. The material discusses how to help clients recognize situations in which they are likely to use, find ways of avoiding those situations, and cope more effectively with situations, feelings, and behaviors related to their substance abuse. 6 CE, 6 hour 3/6/2008
- HIPAA Made Friendly: How to Become Compliant - Third Edition, by Ofer Zur, PhD 6CE, 6/18/2009.

- Depression and Suicide in Children and Adolescents, Adapted from *Mental Health: A Report of the Surgeon General, Chapter 3*, 2CE, 6/18/09

Employment History (teaching listed separately)

September 1996 to 1998 Research Director - Forensic and Behavioral Sciences Institute, Inc., Honolulu, Hawaii. Oversee test development, research design, data collection, analysis and publication of research articles dealing with clients having violent/sex offender histories.

September 1991 to 1995 - Statistical Consultant to Agena and de Werd for statistical evaluation of medical claims billings.

January 1985 to 1995 President - Sugar Mill Software, Kailua, Hawaii. Developing and marketing computerized psychological tests, and STAT 1, a comprehensive statistics package for microcomputers. Program includes menu-driven statistical decision tree as an aid in selecting appropriate analysis, glossary of terms, suggested readings, parametric and nonparametric statistics, matrix algebra, factor analysis, and smallest space analysis.

December 1988 to 1992 - Clinical Psychologist - staff therapist and clinical consultant for A Second Chance drug and alcohol treatment center, providing ongoing group and individual counseling to approximately 40 clients and 10 staff members, leading case conferences, and providing consultant services. Makakilo, Hawaii

August 1988 to March 1990 - Research associate with the Social Science Research Institute, University of Hawaii, Honolulu, Hawaii. Principal Investigator on Research projects 1) to improve the Career Kokua project and provide design and statistical analyses, 2) provide a consistent database of the Hawaii State vital records files, 3) analyze maternal and Infant services in the state of Hawaii. In addition, I trained undergraduate and graduate students in providing social science research services and assisted social science researchers with statistics, research design, and computer consultation.

March 1988 to July 1990 - Statistical Consultant to the Victims of Rape research Project, University of Hawaii, Honolulu, Hawaii.

September 1987 to March 1988 - Statistical Consultant to the Extended Food, Nutrition and Education Program, University of Hawaii, Honolulu, Hawaii.

August 1982 to 1983 - Statistical Consultant for the Department of Sociology, University of Hawaii, Honolulu, Hawaii.

August 1982 to 1983 - Statistical consultation and installation of computer programs for Dr. Luanna Voeltz, Special Education Programs. Department of Education Programs. Department of Educational Psychology. University of Minnesota, Minneapolis, Minnesota.

September 1980 to June 1982 - Research Director of the Hawaii Integration Project, Department of Special Education, University of Hawaii.

January 1980 to January 1981 - Statistical Consultant for the Department of Sociology, University of Hawaii.

September 1979 to January 1980 - Program Evaluator for Mental Health Training Program, Queens Hospital, Honolulu, Hawaii.

October 1979 to 1980 - Data analyst and statistical consultant for Economic Education Project, Economics Department, University of Hawaii, Honolulu, Hawaii.

September 1979 to 1980 January - Program Evaluator for Mental Health Training Program, Queens Hospital Honolulu, Hawaii.

January 1980 to January 1981 - Statistical Consultant for the Department of Sociology, University of Hawaii, Honolulu, Hawaii.

- September 1980 to June 1982 - Statistical Consultant and Programmer for the Behavioral Systems Intervention Project, Department of Psychology, University of Hawaii, Honolulu, Hawaii.
- January 1978 to July 1978 - Consultant to Dr. Sylvia Schwitters for data analysis of senior citizens survey for state of Hawaii, Department of Human Development, University of Hawaii, Honolulu, Hawaii.
- December 1977 to 1979 - Evaluation Specialist, Comprehensive Cancer Care Program, Queens Hospital, Honolulu, Hawaii.
- March 1977 to June 1977 - Consultant to Robert Cole for data analysis of cognitive abilities, Psychology Department University of Hawaii.
- February 1977 to August 1977 - Consultant to Ronald Johnson for data analysis of ethnic differences in cognitive abilities, Behavioral Biology Laboratory, University of Hawaii, Honolulu, Hawaii.
- December 1974 to 1978 - Researcher under Dr. Raymond B. Cattell, University of Hawaii, Honolulu, Hawaii.
- June 1976 to September 1976 - Data analyst Hawaii Bilingual Bicultural Education Program, Department of Education Honolulu, Hawaii.
- May 1976 to August 1976 - Consultant to Rosalie Tatsuguchi for data analysis of personality characteristics of Alcoholics, Behavioral Biology Laboratory, University of Hawaii, Honolulu, Hawaii.
- October 1975 to 1975 - Consultant to Evie Yanigida for data analysis of generational acculturation for Japanese Americans, University of Hawaii, Honolulu, Hawaii.
- November 1975 to November 1976 - Data analyst for Odet King for Data Analysis of Hawaii English Program, Statewide Secondary School Evaluation.
- June 1975 to 1976 - Consultant Walter Fo for data analysis of a behavior modification program to increase study time and grade point averages of elementary school children.
- December 1973 to March 1974 - Data Analyst for Dr. Frank Payne for data analysis of Hawaii English Program, Statewide Elementary School Evaluation University of Hawaii, Honolulu, Hawaii.
- September 1974 to November 1976 - Data Analyst, Hawaii English Program, Statewide Elementary School evaluation, Honolulu, Hawaii.
- September 1972 to 1975 - Data Analyst, Hawaii Alcoholism Research and Evaluation, Governor's Committee of Substance Abuse, Honolulu, Hawaii.
- November 1972 to December 1972 - Consultant, Mental Health Training Program, Queen's Medical Center, Honolulu Hawaii.
- September 1972 to 1979 - Research Associate, The Institute of Behavioral Sciences, Studied cross cultural mental health. Honolulu Hawaii.
- June 1972 to August 1972 - Researcher for Dr. John Digman, Developed statistical methods for personality research. University of Hawaii, Honolulu Hawaii.
- September 1969 to May 1972 - Graduate Teaching Assistant. Taught research design laboratories. University of Hawaii, Honolulu, Hawaii.
- January 1969 to September 1969 - Researcher for Dr. Ivar Lovass. Developed computerized program for severely autistic children to learn to read. UCLA Los Angeles, California.
- January 1968 to December 1968 - Researcher for Dr. Albert Merabian. Evaluated research in deception and lying. UCLA Los Angeles, California.

Teaching Experience

- Taught two sections of experimental psychology laboratories for five semesters. Responsible for lecturing and grading. (September 1969 to May 1972 -University of Hawaii, Honolulu.)
- Lecturer for Department of Continuing Education for a course in experimental psychology, June 1971 to July 1971, University of Hawaii.

- Co-teacher for a course in humanistic psychology, two sections for one semester, September 1971 to December 1971, University of Hawaii.
- Laboratory instructor for psychological statistics, three sections, September 1971 to May 1972 - University of Hawaii.
- Teaching assistant for a course in personality, one section for one semester, January 1974 to May 1974, University of Hawaii.
- Lecturer for Department of Continuing Education for a course in experimental psychology, November 1976 to January 1977, University of Hawaii.
- Lecturer for Department of Continuing Education for a course in psychological statistics, January 1977 to March 1977 University of Hawaii.
- Lecturer for Department of Continuing Education for a course in psychological statistics, August 1977 to September 1977, University of Hawaii.
- Lecturer for Department of Psychology for advance under- graduate seminars in statistics and computer application, September 1977 to May 1978, University of Hawaii.
- Lecturer for Department of Psychology for course in introductory statistics, January 1978 to May 1978, University of Hawaii.
- Lecturer for Department of Psychology for advanced graduate seminars in 1) multivariate analysis, structural equation models, factor analysis, and multivariate analysis of variance, 2) personality theory and research and computer programming, 1979, 1980, 1986 to 1988, University of Hawaii.
- Assistant Professor for Department of Economics for courses in introductory statistics ,September 1980 to August 1982 1/2 time, University of Hawaii.
- Professor for Hawaii School of Professional Psychology for courses in statistics, computer programming and Research Design, September 1981 to February 1987.
- Professor for Forest Institute of Professional Psychology for courses in classical and modern test theory and personal & professional development, February 1987 to March 1989. Taught courses in personal and professional development, group therapy, statistics, computer programming and research design.
- Assistant Professor for Department of Sociology for courses in advanced statistics, computer programming and Research Design, September 1982 to 1988, Full Time.

Presentations

- LISREL: Structural Equation Modeling Using Maximum Likelihood Methods. University of Hawaii Computer Center, January 8, 1981.
- MANOVA: Multivariate Analysis of Variance and Covariance. University of Hawaii Computer Center, January 15, 1981.
- The Hawaii Intervention Project, mainstreaming multiply handicapped children. Hawaii Association for Children and Adults with Learning Disabilities Convention October 15, 1983.
- Peer Relations of Mentally Retarded Individuals. Sixth International Congress of the International Association for the Scientific Study of Mental Deficiency. Toronto August 22-26, 1982.
- My Kid, Your Kid, Our Kid: Solomon's Decision. Panel discussion with the Honorable Ben H. Gaddis, Dr. Tom Merrill and Margaret Smith, ACSW, Hawaii State Bar Association Bar Convention December 3, 1993.
- Effects of Divorce on Children. Presentation to Parents and Children Together. May 24, 1995.
- Custody and Visitation Issues in Substance Abuse Cases: Presentation to the Family Law Section of the Hawaii State Bar Association. April 17, 1996.
- Substance Abuse Assessment and Substance Abuse Issues. Presentation to Child and Parent Advocates Section of the Hawaii Bar Association. May 7, 1996.
- Substance abuse. How to Assess Risk and Provide Safeguards for Children. Presented to the Custody Guardian at Litem Committee. March 25, 1999.
- Communication, Celebrating the Differences. Presented to Destination Romance Workshop for Couples. February 22, 2003.

- Teaching APL, A Programming Language: Fun and Games in Hawaii. Presentation at Dyalog APL Computer Conference. See video and more at <http://dyalog.com/user-meetings/dyalog12.htm> , Elsinore, Denmark 2012
- Dunn-Rankin, P, Rudoy, R. Brennan, J. M. and K. Kaneta. (2013). Predicting obesity in infants: a new index. Paper presented to the Hawaii Educational Research Association, Honolulu
- Mansour, Steven, Brennan, Jerry M. TamStat, a Statistical Package available on the web
Presentation at Dyalog APL Computer Conference. See video and more at <http://dyalog.com/user-meetings/dyalog15.htm> Sicily, Italy September 10, 2015
- Predicting Overweight and Obesity Using the Obesity Quotient on Hawaii Clinic Data. Hawaii Educational Research Association. Brennan, Jerry M. Rudoy, Raul. and Dunn-Rankin, Peter. January 24, 2015
